Cookies used on the Website

A list of all the cookies used on the Website by category is set out below.

Strictly necessary cookies

These cookies enable services you have specifically asked for. These cookies are essential in order to enable you to move around the Website and use its features, such as accessing secure areas of the Website.

Performance cookies

These cookies collect anonymous information on the pages visited. By using the Website, you agree that we can place these types of cookies on your device.

These cookies collect information about how visitors use the Website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies don't collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how the Website works.

Functionality cookies

These cookies remember choices you make to improve your experience. By using the Website, you agree that we can place these types of cookies on your device.

These cookies allow the Website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for such as watching a video or commenting on a blog. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

Third party cookies

These cookies allow third parties to track the success of their application or customise the application for you. Because of how cookies work we cannot access these cookies, nor can the third parties access the data in cookies used on our site.

For example, if you choose to 'share' content through Twitter or other social networks you might be sent cookies from these websites. We don't control the setting of these cookies, so please check those websites for more information about their cookies and how to manage them.

Adverts and Sponsored Links

This website may contain sponsored links and adverts. These will typically be served through our advertising partners, to whom may have detailed privacy policies relating directly to the adverts they serve.

Clicking on any such adverts will send you to the advertisers website through a referral programme which may use cookies and will tracks the number of referrals sent from this website. This may include the use of cookies which may in turn be saved on your computers hard drive. Users should therefore note they click on sponsored external links at their own risk and this website and it's owners cannot be held liable for any damages or implications caused by visiting any external links mentioned.

Social Media Platforms

Communication, engagement and actions taken through external social media platforms that this website and it's owners participate on are custom to the terms and conditions as well as the privacy policies held with each social media platform respectively.

Users are advised to use social media platforms wisely and communicate / engage upon them with due care and caution in regard to their own privacy and personal details. This website nor it's owners will ever ask for personal or sensitive information through social media platforms and encourage users wishing to discuss sensitive details to contact them through primary communication channels such as by telephone or email.

This website may use social sharing buttons which help share web content directly from web pages to the social media platform in question. Users are advised before using such social sharing buttons that they do so at their own discretion and note that the social media platform may track and save your request to share a web page respectively through your social media platform account.

Shortened Links in Social Media

This website and its owners through their social media platform accounts may share web links to relevant web pages. By default some social media platforms shorten lengthy url's [web addresses] (this is an example: <http://bit.ly/zyVUBo>).

Users are advised to take caution and good judgement before clicking any shortened url's published on social media platforms by this website and its owners. Despite the best efforts to ensure only genuine url's are published many social media platforms are prone to spam and hacking and therefore this website and its owners cannot be held liable for any damages or implications caused by visiting any shortened links.
